Inspiring learning, changing lives

Course Listings Brochure 2024/25

Welcome to Buckinghamshire Adult Learning

At Buckinghamshire Adult Learning we provide inclusive learning opportunities to support adults living in Buckinghamshire to develop the skills that they need to succeed in their careers, inspire them to achieve their potential, promote their wellbeing and lead happy and fulfilling lives. With over 1,000 courses to choose from, we hope to have something to suit everyone.

Our part-time courses and workshops range from one day to one year and cover a variety of levels and areas; from beginner to advanced, on learning for leisure through to gaining qualifications. Courses are offered in the daytime, evening and weekends. To meet the course and your needs, these are delivered either face to face in a number of locations across Buckinghamshire, through 'live' online sessions, via self-directed study or by a mix of blended learning models.

Our classes are small, which allow you to develop your skills, knowledge and confidence in an environment where both tutors and learners offer support and encouragement. Our tutors are highly skilled, qualified, dedicated, supportive and passionate about their subject, they will motivate you and inspire you to progress.

Buckinghamshire Adult Learning is Ofsted inspected and is a 'good' provider. Our education programmes continue to meet the needs of local residents and have a tangible and lasting impact on all of our learners' lives. Our learners develop new, useful skills and knowledge as well as gaining wider benefits to support them personally, benefit their health and wellbeing, and even help to make new friends or take up a new hobby.

We work very effectively with other sections of the Council, external partners and employers to deliver a curriculum that addresses the priorities specified in Buckinghamshire's Education and Skills Strategy:

- Equipping people with the knowledge, skills and experience to thrive in a modern economy
- Addressing widening skills gaps by supporting lifelong learning
- Increasing the number of apprenticeships at all levels
- Inspiring a lifelong love of learning.

In a survey of our 2022-23 learners, we found that 98.6% would recommend Buckinghamshire Adult Learning to a friend; 73.5% gained in self-confidence and 65% met people and made new friends. 43.8% also gained more independence as a further benefit of studying with us.

Most of our English, Maths and Digital Skills courses are free for residents (subject to eligibility). For other courses, concessionary fees, flexible payment options and support from bursary funds are also available to help make learning in Buckinghamshire as accessible and inclusive as possible. The QR codes in this brochure will take you to the up-to-date course listings and prices on our website where you can enrol online or call **01296 382403** to speak to one of our customer service advisers about the range of courses we offer.

We look forward to welcoming you soon.

Terms & Conditions

Payment of Fees

1. By enrolling on a course, you are agreeing to pay the total price for the whole course and annual registration fee, including all outstanding balances, should you withdraw. This applies to all courses, including those funded by a Learning Loan.
2. To secure your place, full payment must be made at enrolment. If assistance with fees is required, please contact us on **01296 382403** to discuss options available. Cheques should be made payable to "Buckinghamshire Council". A fee of £30 will be charged for dishonoured cheques.
3. Any additional costs for exam fees will be shown on the course information sheet which are available for each course on the website. Certificates in relation to any exams passed will only be provided once the full fees (including exam fees) have been paid. We may not allow you to sit an exam where fees are outstanding.
4. Where fee concessions are claimed, you may need to provide the necessary documentary evidence to demonstrate eligibility for this fee reduction. Should this not be received within two weeks of being requested, the full fees become payable. We will contact you in order to obtain payment via debit or credit card.
5. Where there are outstanding fees we may refuse entry to the class until such fees have been paid.
6. For classes which attract government funding, we monitor for learners who are ineligible for funding – please note that learners who have not been ordinarily resident in the UK or wider EEA for at least the last three years, learners with certain immigration statuses or learners whose home postcode is part of an area where adult education budget funding has been devolved, for example the Greater London Authority, may not be eligible for direct ESFA funding. These learners are welcome to participate in our courses but will be asked to pay additional charges. Please contact us on **01296 382403** to discuss these.

Refunds/Transfers

7. If you change your mind and wish to withdraw from a course before it begins, we will process your request as follows:
 - If the request is made within five working days of enrolling a full refund will be given
 - If the request is made at least 15 days before the course begins a full refund less £35.50 to cover administration and the registration fee will be returned to you.
8. For a language course, if you decide by the end of the third session that the level is not appropriate, and you notify us of this within two working days we will transfer you to another language course of your choice. For all other courses, if after one session you decide that the course is unsuitable and you notify us of this within two working days, we will transfer you to another course of your choice. If you request a transfer to a different course in any other circumstances, an administration fee of £25 will be charged. In all cases, further costs may apply if transferring to a course of a higher fee.
9. If you withdraw from a course, you will not be eligible for a refund. However, in exceptional circumstances and at our discretion, we may be able to offer some credit against a future course. In this case an administration fee of £25 will be charged. All requests for a credit should be made within two weeks of your last attendance.
10. If it becomes necessary to either cancel or close your course within the first three weeks, for example due to low numbers, we will refund your fees in full. Where courses are closed after the first three weeks, a pro-rata refund will be made to any student attending at that time who has attended at least 80% of their sessions. We will endeavour to let you know as soon as possible and any refund due will be made by crediting your credit/ debit card or by BACS. It is not possible to make refunds in cash or by cheque. All cancellations will be confirmed to you in writing or by email.

11. It may occasionally be necessary, for reasons beyond the control of Buckinghamshire Adult Learning, to change the course tutor, make slight changes to the timing or content of the programme, or move the course to an alternative venue within a reasonable distance of the advertised venue. Refunds will only be given in exceptional circumstances. Please be aware that we are unable to confirm tutor details.

12. Where a session is cancelled, for reasons beyond the control of Buckinghamshire Adult Learning, for example, if a staff member is unwell or extreme weather conditions, we will try to offer an additional class at another time. We will promptly contact you if this happens. If the majority of the students are able to attend the alternative session, then no refund will be given for the missed session.

13. The minimum number of students for most of our courses is eight. If a class does not reach its minimum number, we may need to close the course and where possible will offer you another option.

Course Fees

14. Some courses may involve additional costs for materials. These will be outlined on the course information sheet you receive on enrolment.
15. Unless specifically stated, you are advised not to buy equipment, materials or books prior to the first session. We will not refund you for any equipment, materials or books bought in advance.
16. Please note, an annual £10.50 registration fee applies upon enrolment for all courses that are longer than 6 hours in length.

Further information about use of and access to your personal data, and details of partner organisations are available at www.gov.uk/government/organisations/education-and-skillsfunding-agency. In addition, we are expected to provide details about the effectiveness of the training we provide, which may require us to contact you after your course has finished to find out how your course has helped you. These surveys and follow-up enquiries may be carried out by a third party.

18. For classes which attract government funding, all new learners will be allocated a Unique Learner Number (ULN). This ULN is the education equivalent of a National Insurance Number and is used for life. ULNs are issued to most learners from age 14 and they are used in schools, further and higher education, and when entering exams or accessing the National Careers Service.
