# Terms & Conditions

## Payment of Fees

1. By enrolling on a course, you are agreeing to pay the total price for the whole course and annual registration fee, including all outstanding balances, should you withdraw. This applies to all courses, including those funded by a Learning Loan.
2. To secure your place, full payment must be made at enrolment. If assistance with fees is required, please contact us on **01296 382403** to discuss options available. Cheques should be made payable to "Buckinghamshire Council". A fee of £30 will be charged for dishonoured cheques.
3. If applicable, any additional costs for exam fees will be shown on the course information sheet which are available for each course on the website. Certificates in relation to any exams passed will only be provided once the full fees (including exam fees) have been paid. We may not allow you to sit an exam where fees are outstanding.
4. Where fee concessions are claimed, you may need to provide the necessary documentary evidence to demonstrate eligibility for this fee reduction. Should this not be received within two weeks of being requested, the full fees become payable. We will contact you in order to obtain payment via debit or credit card.
5. Where there are outstanding fees we may refuse entry to the class until such fees have been paid.
6. For classes which attract government funding, we monitor for learners who are ineligible for funding – please note that learners who have not been ordinarily resident in the UK or wider EEA for at least the last three years, learners with certain immigration statuses or learners whose home postcode is part of an area where adult education budget funding has been devolved, for example the Greater London Authority, may not be eligible for direct ESFA funding. These learners are welcome to participate in our courses but will be asked to pay full charges. Please contact us on **01296 382403** to discuss these.

## Refunds/Transfers

7. If you change your mind and wish to withdraw from a course before it begins, we will process your request as follows:
  - If the request is made within five working days of enrolling a full refund will be given
  - If the request is made at least 15 days before the course begins a full refund less £35.50 to cover administration and the registration fee will be returned to you.
8. For a language course, if you decide by the end of the third session that the level is not appropriate, and you notify us of this within two working days we will transfer you to another language course of your choice. For all other courses, if after one session you decide that the course is unsuitable and you notify us of this within two working days, we will transfer you to another course of your choice. If you request a transfer to a different course in any other circumstances, an administration fee of £25 will be charged. In all cases, further costs may apply if transferring to a course of a higher fee.
9. If you withdraw from a course, you will not be eligible for a refund. However, in exceptional circumstances and at our discretion, we may be able to offer some credit against a future course. In this case an administration fee of £25 will be charged. All requests for a credit should be made within two weeks of your last attendance.
10. It may occasionally be necessary, for reasons beyond the control of Buckinghamshire Adult Learning, to change the course tutor, make slight changes to the timing or content of the programme, or move the course to an alternative venue within a reasonable distance of the advertised venue. Refunds will only be given in exceptional circumstances. Please be aware that we are unable to confirm tutor details.
11. Where a session is cancelled, for reasons beyond the control of Buckinghamshire Adult Learning, for example, if a

staff member is unwell or extreme weather conditions, we will try to offer an additional class at another time. We will promptly contact you if this happens. If the majority of the students are able to attend the alternative session, then no refund will be given for the missed session.

12. The minimum number of students for most of our courses is eight. If a class does not reach its minimum number, we may need to close the course and where possible will offer you another option or refund. All cancellations will be confirmed to you in writing or by email.

13. When a course is cancelled for reasons beyond the control of Buckinghamshire Adult Learning, a pro-rata refund will be given.

## Course Fees

14. Some courses may involve additional costs for materials. These will be outlined on the course information sheet you receive on enrolment.
15. Unless specifically stated, you are advised not to buy equipment, materials or books prior to the first session. We will not refund you for any equipment, materials or books bought in advance.
16. Please note, an annual £10.50 registration fee applies upon enrolment for all courses that are longer than 6 hours in length.

## Data

17. For classes which attract government funding, the personal information you provide is passed to the Chief Executive of Education and Skills Funding Agency ("the Agency") and, when needed, the Department for Education, to meet legal responsibilities under the Apprenticeships, Skills, Children and Learning Act 2009, and for the Learning Records Service (LRS) to create and maintain a unique learner number (ULN). The information you provide may be shared with other partner organisations for education, training and employment-related purposes, including for research. Further information about use of and access to your personal data, and details of partner organisations are available at **[www.gov.uk/government/organisations/departments-for-education](http://www.gov.uk/government/organisations/departments-for-education)** The Department for Education and OFSTED both run learner surveys and we are required to invite you to take part in these. In addition, we are expected to provide details about the effectiveness of the training we provide, which may require us to contact you after your course has finished to find out how your course has helped you. These surveys and follow-up enquiries may be carried out by a third party.

18. For classes which attract government funding, all new learners will be allocated a Unique Learner Number (ULN). This ULN is the education equivalent of a National Insurance Number and is used for life.
