

Buckinghamshire Adult Learning

COURSE LISTINGS BROCHURE **2023 / 24**

INSPIRING LEARNING, CHANGING LIVES.

Welcome to Buckinghamshire Adult Learning

At Buckinghamshire Adult Learning we provide inclusive learning opportunities to support adults living in Buckinghamshire to develop the skills that they need to succeed in their careers, inspire them to achieve their potential, promote their wellbeing and lead happy and fulfilling lives. With over 1,000 courses to choose from, we hope to have something to suit everyone.

We have part-time courses and workshops ranging from one-day to one-year and covering a variety of levels from beginner through to advanced. Courses are offered in the daytime, evening and weekends. To meet the course and your needs, these are delivered either face to face in a number of locations across Buckinghamshire, through 'live' online sessions, via self-directed study or a mix of blended learning models.

Our classes are small, which allow you to develop your skills, knowledge and confidence in an environment where both tutors and learners offer support and encouragement. Our tutors are highly skilled, qualified, dedicated, supportive and passionate about their subject, they will motivate you and inspire you to progress.

Buckinghamshire Adult Learning is Ofsted inspected and is a 'good' provider. Our education programmes continue to meet the needs of local residents and have a tangible and lasting impact on our learners' lives. Our learners develop new, useful skills and knowledge as well as gaining wider benefits to support them personally, benefit their health and well-being, and even help to make new friends or take up a new hobby.

We work with other sections of the Council, external partners and employers to deliver a curriculum that addresses the priorities specified in Buckinghamshire's Education and Skills Strategy:

- Equipping people with the knowledge, skills and experience to thrive in a modern economy
- Addressing widening skills gaps by supporting lifelong learning
- Increasing the number of apprenticeships at all levels
- Inspiring a lifelong love of learning.

In a survey of our 2021-22 learners, we found that **98.2%** would recommend BAL to a friend; **72%** gained in self-confidence and **67%** met people and made new friends. Gaining more independence (**41%**) and feeling more motivated and hopeful about the future (**35%**) were among further benefits of studying with us.

Most of our English, Maths and Digital Skills courses are free for residents (subject to eligibility). For other courses, concessionary fees, flexible payment options and support from bursary funds are also available to help make learning in Buckinghamshire as accessible and inclusive as possible. The QR codes in this brochure will take you to the up-to-date course listings and prices on our website where you can enrol online or call 01296 382403 to speak to one of our customer service advisers about the range of courses we offer.

We look forward to welcoming you soon.

2. To secure your place, full payment must be made at enrolment. If assistance with fees is required, please contact us on 01296 382403 to discuss options available. Cheques should be made payable to "Buckinghamshire Council". A fee of £30 will be charged for dishonoured cheques.
3. Any additional costs for exam fees will be shown on the course information sheet which are available for each course on the website. Certificates in relation to any exams passed will only be provided once the full fees (including exam fees) have been paid. We may not allow you to sit an exam where fees are outstanding.
4. Where fee concessions are claimed, you may need to provide the necessary documentary evidence to demonstrate eligibility for this fee reduction. Should this not be received within two weeks of being requested, the full fees become payable. We will contact you in order to obtain payment via debit or credit card.
5. Where there are outstanding fees, we may refuse entry to the class until such fees have been paid.
6. For classes which attract government funding, learners who are ineligible for funding – please note that learners who have not been ordinarily resident in the UK or wider EEA for at least the last three years, learners with certain immigration statuses or learners whose home postcode is part of an area where adult education budget funding has been devolved, for example the Greater London Authority, may not be eligible for direct ESFA funding. These learners are welcome to participate in our courses but will be asked to pay additional charges. Please contact us on 01296 382403 to discuss these.

We will endeavour to let you know as soon as possible and any refund due will be made by crediting your credit/ debit card or by cheque. It is not possible to make refunds in cash. All cancellations will be confirmed to you in writing or by email.
11. It may occasionally be necessary, for reasons beyond the control of Buckinghamshire Adult Learning, to change the course tutor, make slight changes to the timing or content of the programme, or move the course to an alternative venue within a reasonable distance of the advertised venue. Refunds will only be given in exceptional

We will promptly contact you if this happens. If the majority of the students are able to attend the alternative session, then no refund will be given for the missed session.
13. The minimum number of students for most of our courses is eight. If a class does not reach its minimum number, we may need to close the course and where possible will offer you another option.
